Information Fair Request

The purpose of the Information Fair is to give the Comprehensive Community Mental Health Services system of care communities an opportunity to actively participate in knowledge exchange with one another. System of care communities will be able to showcase their own work and learn about one another's work, including promising practices, training curricula, policies, marketing materials, and other resources as part of the peer-to-peer learning environment. National organizations, guilds, researchers, and service providers will be able to display their materials as well.

The Information Fair will kick off on Wednesday morning, July 29, 2009, and will run until the end of the meeting on Friday, July 31, 2009. Six-foot display tables will be available for each requested space. Please complete the information requested on this page and e-mail it to Ezra Bourne at ebourne@air.org. If you do not have access to e-mail and would like to submit an Information Fair request form via fax or mail, please contact Ezra Bourne at (202) 403-5221.
